THE NEW CANADIAN

An Independent Organ for Canadians of Japanese Origin

Vol. XXIV.—No. 93 WEDNESDAY, NOVEMBER 30, 1960 TORONTO, ONT.

The Realistic Approach Is To Abolish The JC Organizations

In conjunction with the "age old" problem regarding the Japanese Canadian Citizens' Association, I wish to make a few comments. My stand is this: I DO NOT believe there is a need for this organization at all. When I say this, I refer to all levels—local, provincial, and national.

I say this in all sincerity. I have worked with many ethnic groups in Winnipeg including Nisei groups, and I find a great deal of difficulty in trying to justify the existence of these groups. Yes, at one time, the JCCA played a very important role in the lives of the Japanese Canadians and their parents. There was a need then; but today, in the type of society we find ourselves in, there is absolutely no justification for the existence of the JCCA.

It would be interesting to compare the nature and task of the organization as it stands today and as it stood fifteen years ago. I am sure you will find a vast difference, and I am sure you will discover there is hardly any ground for those who advocate the maintenance of the JCCA today. We need to look soberly at the whole structure of the JCCA today. During the past few years, I have tried hard to listen to people struggling in their attempts to justify this existence, but I did not hear them say anything at all.

I may sound callous to many of you. But let us be realistic. We are living in a "new type" of society now. What happened fifteen or twenty years ago must be wiped out of our minds and we must strive to be CANADIAN CITIZENS as well as WORLD CITIZENS. So often we have heard people use jargons and cliches regarding this matter that they have become platitudes. However, I say this in all seriousness. If this is to be; then I cannot fathom how this could be done by maintaining ethnic groups. The very fact that we do have ethnic groups in our society tend to develop lines of demarkation and society as a whole suffers. As time goes on, the purpose of maintaining ethnic groups will diminish. Then what? Ethnic groups have become so constipated in their thinking and in their actions that it is highly improbable that Canada will ever become the type of society that it was meant to be. I firmly maintain that, if we are going to get anywhere, we need to look beyond ourselves and forget about the JCCA and all its past. I am sure that many Niseis are doing just this. Otherwise, why is it that there are so few who are actively interested in this organization? I sometimes wonder if those who strongly advocate for the existence of the JCCA are gullible and in a rut.

Organizations are fine things to have and belong to occassionally, but there are dangers involved. Too often, people have the tendency to use them as crutches because of insecurity or frustration. We rely on these organizations too often for entertainment or for some other reasons. Those who favor the JCCA have argued, for example, that it is needed to maintain our "rights" whatever they may be. What I do not hear them say is the impact an individual makes

Ottawa Asked to Place Restrictions

Textile Imports - Issue

MONTREAL. — Representatives of the Canadian textile industry have called on the Federal Government to reduce import quotas as an immediate step to counter-act "serious consequences" from Japanese competition.

Recommendations were made in a report to the government by four textile officials on their recent return from a two-month visit of Japan, where they conferred with Japanese government and textile industry representatives.

Members of the Canadian delegation were Gerald L. Bruck, president of Bruck Mills Ltd., Frank G. Raymaut, vice-president, Du Pont of Canada Ltd., Herbert K. McLean, president, Thor Mills Ltd., and George H. Dobbie, president, Dobbie Industries Ltd.

At a press conference last week in the Bruck offices, Mr. Bruck, Mr. Raymant and Mr. McLean reiterated their view that the future of Canadian textiles is dependent on action by Ottawa in controlling Japanese exports.

"Not only can something be done, but it must be done," said one of the officials.

Reduction of imports was an immediate answer. The long-range answer might lie in the imposition of a fixed-value system "which we feel will have obvious advantages for Japan," the officials said.

(Fixed value refers to the placing of a predetermined value on imported merchandise disregarding the fact that its market value in the country it enters may be actually lower.)

The main problem in Japan, the officials said, is "an exagerated idea of the size and potential of the Canadian market."

"What Japan exports to Canada is in almost all cases that which is already made in Canada," they contended.

The three executives agreed that their reception by Japanese officials was "encouraging and satisfactory," and they didn't think there would be any counter-measures by Japan against imports from Canada.

"We do recognize the possibility of political repercussions," one of the men said, "but we do not see any serious effects."

Import Restrictions May Hurt Nation--Wheat Pool

CALGARY. — The Alberta Wheat Pool warned that restricting imports from Canada's best grain customers—a measure "now being requested by Canadian industry"—would hurt agriculture and the whole nation.

Directors of the pool told delegates at the organization's annual meeting here they recognized Canada's balance of payments deficit as a "serious problem." But the main problem "lies with imports from the United States and it is toward this situation that corrective measures should be aimed," they said.

"Prairie grain producers depend heavily on the export market, particularly in the United Kingdom, Japan and Germany, which last year took more than half of Canada's export shipments of wheat," the report continued.

BCA Head Attends Confab to Plan Temple

SAN FRANCISCO. — Bishop Shinsho Hanayama attended a meeting of "A Temple of Understanding" committee in New York on Friday, November 25. The committee studied plans to build a temple as a symbol of brotherhood in the heart of Washingtn, D.C.

Six major spiritual forces in the world—Hinduism, Buddhism, Confucianism, Judaism, Christianity and Islam will be represented in the temple.

Committee chairman is Mrs. Dickerman Hollister of Connecticut. Among those who have endorsed the movement are: Mrs. Franklin D. Roosevelt, Rabbi Israel Goldstein, Vice President Sarvepalli Radhakrishnan of India, and Dr. Wen Yen Tsao, and other notable leaders.

Lakehead Needs Club

FORT WILLIAM, Ont.—The Lakehead Nisei Club in the past summer has been experiencing pangs of disinterest and apathy similar to those being experienced by some other local Japanese Canadian organizations.

At the Annual General Meeting held in May, chaired by President Theresa Miyata, it was resolved that the club suspend operations for a period of one year, except for the presentation of the Nisei Club scholarships. Basically, the general feeling was that the act was regrettable and that the club would be missed particularly in its functions eg. picnic, Keiro-Kai social—but it was decided that the club could not carry on while the members as a group did not show enough support and interest, although individually, they would be willing to give that support.

As stipulated, the Lakehead Nisei Club Scholarships were presented at the fall convocations of the two high schools. Miss Beverley Miki, now attending the University of Toronto, received the scholarship at the Fort William Collegiate Institute, and Miss Elaine King, a commercial graduate received it at the Selkirk High School.

The basic need for such an ethnic organization in this community was experienced in the few short months of its suspension and a group of interested individuals composed chiefly of last year's executive, met in October and decided to present the idea of restarting the club to the general public for its reaction.

On November 4, an emergency public meeting, chaired by Mr. Harry Kamo, was held and although the reaction was not overwhelming, the group felt that there was enough interest and sufficient cause to reorganize the Lakehead Nisei Club. From the floor came suggestions of a complete revamping of the setup of the club—the old setup may have been one of the causes leading to its suspension—the feeling that the club and its format had not kept up to the changing needs. A temporary group of interested volunteers were enlisted to carry on through the New Year with its two main objects—that of revamping the constitution and setup of the club, and that of staging the annual New Year's Keiro-Kai and Social.

The following temporary executives was chosen:

President, Mr. Harry Kamo; Past President, Miss Theresa Miyata; Secretary, Mr. Tak Omae; Treasurer, Miss Peggy Inaba, and serves as a nucleus for the group consisting of Sab Arinobu, Michio Hayashi, Nancy Honda, Ken Hibi, Henry Ichikawa, Shirley Inouye, Tom Kawahara Jr., John Nakamoto, Fred Nishikawa, Tak Tabe and Ed Yasunobu.

They are now busy reorganizing the club and making plans for the New Year's Keiro-Kai and Social which is to be held at the Italian Hall on McLaughlin Street, on Monday, January 2.

For everyone—a renewing of friendship, the most Lakeheadest entertainment — the best and most Ed Sullivanist, and the orchestra—the most swingingest and Roy Corenish.

Remember the event—New Year's Keiro-Kai and Social.

Insect Glow Studied 40 Years

PRINCETON, N.J.—An American biologist and two Japanese colleagues have shed light on what makes the firefly glow in the dark, it was announced.

After 40 years of trying, the researchers succeeded in crystalizing the light-giving compound which has fascinated both children and scientists alike for generations.

Professor Frank Harris Johnson of Princeton University said the compound, known as luciferin, was obtained from dissecting 4,000 species of a south Pacific fish the size of a goldfish.

By crystallizing the light emitting compound, Dr. Johnson and a colleague, Dr. Yata Haneda, were able to study the luminescent systems found in other insects, fish and land animals.

Dr. Johnson said studies of luciferin have "clarified biological processes in general." He said the chemical processes in luminescent cells were similar to those in living cells generally.

"They can show how other cells will behave under various circumstances, such as human cells reacting to drugs," Johnson said.

Dr. Johnson said the "living light" occurred in many land and ocean animals. Among them he listed the common firefly, the "railroad worm," deep-sea shrimp, certain shellfish and rare luminous beetles.

The luciferin compound first was obtained in 1957 but crystalization only recently achieved, was necessary before its actual study could be undertaken, Dr. Johnson said.

He said the compound has been under study for 40 years.

Largest Shipment Of Japanese Mikans Arrive

VANCOUVER. — The annual flood of Japanese oranges for the Christmas trade began last week with the arrival of the new Knutsen Line MS Martha Bakke with 520,000 boxes.

To honor her maiden visit to the port, assistant port manager William Duncan made a presentation of a colored photograph of the harbor, and orange importers presented the captain with a totem pole.

In the next few weeks 2,520,000 boxes of oranges will arrive here for distribution throughout western Canada. Knutsen Line will have the Eilen Bakke with 132,000 boxes on Dec. 4, and the Gjertrud Bakke with 100,000 boxes on Dec. 6.

Shinnihon Line MS Tagaharu Maru arrived with 418,000 boxes after making one o fthe fastest trans-Pacific voyages on record for a freighter. Her average time for a nine-day crossing to Race Rocks was 19.98 knots.

Another speedy crossing is expected to be made by Mitsui Line MS Manjusan Maru, due today with 392,000 bundles.

She is one of Japan's fastest new freighters, with a maximum speed of more than 22 knots.

Five ships of State Marine Line are due to arrive with a steady flow of oranges.

Rots of Rice Ruck

NEW DELHI, India.—Japanese farm experts are coming to India to popularize Japanese methods of rice cultivation.

The scheme is part of a "Freedom From Hunger" campaign organized in Asia by the United Nations Food and Agriculture Organization.

Japanese farmers will work at several demonstration centres in India, showing their rice-growing methods. Young Indian farmers will be attached to the Japanese experts for training.

Can. Nisei Chairman At US Speech Convention

LOS ANGELES, Calif.—Dr. Michael Hoshiko, assistant professor of speech pathology and audiology at Southern Illinois University, Carbondale, attended the 36th Annual Convention of the American Speech and Hearing Ass'n November 1 to 5th, where he participated as chairman of the Section on the Instrumentation in Experimental Phonetics.

Dr. Hoshiko also published in the September issue of the Journal of Speech and Hearing Research, an article "Sequence of Action of Breathing Muscles During Speech" which summarized his electromyographic studies of the intercostal muscles during phonation.

Dr. Hoshiko was formerly from Surrey, B.C. and Toronto where he did research with stutterers in the Department of Psychiatry, University of Toronto.

The New Canadian will not be publishing on December 7th, nor December 14th due to preparations for the special Christmas and New Year Issue. However, the dates, 3, 10, 17 are open for publication prior to Xmas, so please arrange all notices, articles and ads regarding parties, dances etc. as soon as possible.

野ざらし姫

山手樹一郎

一氣に土堤を突つ切つてもかくとして、鶴丸さまは小八幡村側へ出ると、そこは一面の水田で、右手に松林が見える。いくら晴夜でも、からりと開けた畔道を行くのは危險だと考えたので、土手ぞいに松林の方へ進んだ。そのころになつて土堤の向うから、

『誰もおらんぞ。この先は畫むらだ』

『かまわん、もつと下つてみろ』

と、口々に叫んでいる敵の聲が耳についてきた。

『傅八郎――』

ぎくりとしたように、腕の中の鶴丸さまが顔をあげた。

『默つて――』

『でも、重いでせう。姫は歩けます』

が、傅八郎は姫君を輕々と抱きしめながら、大股に松林の中へ入つて行つた。一つにはおのれの興奮をさますように、一つには寒氣から身をふせぐために――

思い切り男の逞しい胸の中へ抱きすくめられて、甘い歡喜に体中の血が醉いしびれている鶴丸さまも、まだ少しも寒さは感じていないようだ。松林の向うは暗い海だ。波の音がざ、ざ、ざつと寄せてはかえして行く。傅八郎はその海にそつて、松林の中をぐんぐん歩きつづけた。早く危險區域を脱して、人家を見つけなければならない。自分はともかくとして、鶴丸さまは戀の情熱から少しでも落着いてくると、必ず寒さを感じてくる。それまでに早く濡れた衣類をぬがせなければならないのだ。

『傅八郎、疲れたでせう。もうおろしてください』

『いや、まだ疲れません。わしは好きな人を抱いているのだ、江戸までこうして歩いて行つてもいい』

胸の血をわきたたせるための手段の口說だ。

『鶴はうれしいけれど――』

江戸という言葉で、ふつと理性がかえつてきたのだろう。

『なんですか、江戸へ歸るのが、恐しい』

江戸へ歸れば、當然傅八郎と別れなければならない鶴丸さまだ。いくらここで約束はしても、身分というものがあるから、そう簡單には女夫になるわけには行かない。

『姫はもう、傅八郎と別れたくない』

隙間洩る秋風のように悲しい思いが一筋胸のどこからかしみとおると、鶴丸さまは急に肌寒くなつてきてぞつと身ぶるいが出てきた

『いや、わしは絶對に姫君を放さぬ』

傅八郎は思い切つてもう一度口唇をあわせてみたが

『鶴も、鶴も――』

と、情が燃え立つたのもわずか一瞬のことで、もう身ぶるいはやもうとしなかつた。

植民地撤廢決議案 AA國群が提出

＝日本も賛成の方針きめる＝

【國連發】アジア・アフリカ國家群は今週、國連總會に植民地体制撤廢の決議案を提出した。この案に日本は賛成する方針である。一方ソ連も植民地撤廢の決議案を總會當初提出したが、この決議案の内容は『ドレイ的國家』を解放するなどと激い言辭を用いたものである。それにくらべてエー・エー・グループのは外交的言辭を用いたもので、二つの植民地撤廢決議案が出たことになる。四十六カ国のエー・エー・グループは、ソ連のように『植民地体制の即時撤廢』の"即時"をとりのぞいたかなり穏健なもので、日本はこの案に賛成する方針を決めている。これについて西歐側、とくに米國側もあえて反對しない見通しなので、同決議案は國連總會で可決されるものと、日本外務省ではいっている。ソ連が指す『ドレイ的植民地』には沖繩、臺灣ながどふくまれている。

鐵道スト 强制的回避へ

オタワ政府が緊急法案提出か

【オタワ發】來る三日の全國的鐵道ストライキを目前に控えて、ディフエンベーカー首相は勞使双方代表を招き、打解策について重要協議したが、その結果はなんら進捗をみせず、いまのままではストライキ必至の事態であるので、デ首相は最後の手として『スト非合法』とする緊急法案を議會に提出、採決を求めることになろう。勞組側は時給十四仙增しに承認を與えた調停局の進言をまず不備ながらも承諾したにも拘らず、鐵道側がこれを絶對にうけられないとして强硬な態度に出ているので、歩み寄りはほとんど望み薄である。この間、鐵道スト回避見込みなしとして、鐵道による荷物輸送をキャンセルする業者が多く、鐵道會社側では業務緩慢を理由に次々と勞組員をクビにしている。

ソ紙主張 平和共存 いぜん有効と

【モスクワ發】ソ連共産黨機關新聞『プラウダ』は先週紙上の社説で『平和共存の原則はいぜんとして有効であり、過去三年間に起こった諸々の出來事は、一九五七年の共産圏首腦會談で採擇された平和宣言とその際の國際情勢分析が正しかったことを証明している』と述べ、共産陣營内の一部にきかれるソ連の平和政策に對する批判を一蹴した。因みに、二日前には中共の『人民日報』がフルシチョフ・ソ連首相の平和共存理論を暗に攻擊する社説をかかげ、共産主義諸國が帝國主義諸國と共存できると考えるのは幻影にすぎないといっている。

【レオポルドビル發】コンゴの奥地の人喰人種が敵人を喰うという昔の儀式を行なったことが判明した。この人喰儀式はコンゴ政府や宗教團体の懸命なる運動にも拘らず、いまだに後をたたないということで、當地に達した情報によると、この人喰人種に北部カタンガで行方不明となった國連軍人八名のうちの一名が喰われたことは確かであるとされている。理由はこの兵士の死体が全然見當たらないからである。

金持ちの日本人旅行者 紐育空港で醜態を演ず

【ニューヨーク發】日本人の海外旅行に必要な外貨のワクが擴げられて以來、欧米旅行者が急激に増加して業者の團体とか地方の有力者とか婦人を含めて外遊熱が高まってきたことは結構だが、これらの團体や個人の旅行者が欧州各国を一巡して米国經由で歸国する者が多いことが目立っている。

△これらの旅行者は相當に金のある連中なので、千弗とか二千弗のヤミ弗を腹巻きにつけている者もあり、パリーをはじめ欧州各国でどっさりと土産物を仕入れてニューヨークへ着く者が多いが、最近これら欧州からニューヨークへ入った日本人旅行者の團体が、スイス製の時計や高價なダイヤなどを税關で無申告で通そうとしたことが發覺して問題となった。

△去る十月中にニューヨーク国際空港の税關で摘發された日本人旅行者團体だけでも、三十名の團体(時計百三十個)、十六名の團体(時計二十個)、二十三名の團体(價格四千弗のダイヤと時計多數)、七名の團体(時計二十個)で、この他に個人旅行で摘發された事件が相當の數にのぼっている。右のうち七名の團体の場合は一應取り調べがオーケーとなり、出ていく際電波探知機に引っかかり、ポケットや腹巻きにかくしていた時計その他の貴金屬品があることが發見され、再び呼び戻されて再調査という醜態を演じたものである。

更生チャンス 殺人犯に多い

△国家保釋局のジョージ・ストリート議長の語るところによれば、犯罪者のうちパーセンテージでみると『殺人犯』および『婦女暴行犯』で入獄している者が最も更生するチャンスが多く、麻藥使用者や僞造クセのある者は更生しにくいとのことである。

△同議長は、殺人犯人を釋放したり、性犯罪者を自由にすることは一般社會人にとってショックなことであろうが、殺人犯や暴行者は再び同じ罪をくり返すことは殆んどなく、チャンスを與えれば容易に更生する者が多いといっている。

カナダ向 眞空管を 今後自主規制へ

【東京時事通信】通產省は明年一月からカナダ向け眞空管(ラジオ、テレビ・チューブ)の輸出を業界の自主規制によって行なう方針であるが、カナダ側が政府の强力な規制を要求していること、また自主規制で業界の協調が期待できないこととなってから、眞空管を輸出貿易管理令の要承認品目に追加指定して輸出承認數量を設定することになった。

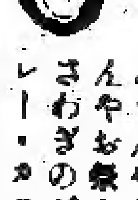
最少數の婦人代議士 ベテラン組は落ちる

【東京發】こんどの選擧では自民、社會兩黨の進出に反して民社と婦人代議士の減少が目立った。婦人候補は保守、革新二十一人が立候補したうち、神近市子(社)山下春江(自)堤ツルヨ(民社)松尾トシ子(民社)のベテラン組が落選。前回身がわり候補といわれた菊川君子(民社)伊藤よし子(社)の前議員も落ちたかわりにこんどは故淺沼社會黨委員長未亡人享子さん(東京一區)小林正義社會黨議員夫人ちづさん(三重一區)松山義雄自民黨議員夫人千恵子さん(埼玉二區)がニューフェースとして登場した。代議士未亡人は新人に限り一〇〇%の當選率を示し、中山マサ(自民)戸叶里子(社)山口シヅエ(社)本島百合子(民社)の前議員とともに七議席を占めた。戰後第一回の總選擧で三十九人當選という花々しいスタートをきった婦人代議士は、二十二年總選擧で十五人、二十四年十二人、二十七年と二十八年各九人、三十年八人、三十三年十一人と減り、こんどの七人は婦人參政權が認められてから最少議席記錄である。



△てんやわんやお祭りさわぎのグレー・カップ爭奪戦が先週末當市で行なわれたが、オタワ・ラフライダーズが十六對六でエドモントンに勝ち、九年ぶりにカップをとり凱歌をあげた。試合終了間際に觀衆がフイルドに押しかけて、四十一秒をあまして試合終了ということになった。

McClelland Takes Second Judo Trophy In A Month At Kidokwan Tourney

Don McClelland, a stylish brown belt judoka from the Toronto Hatashita club, made it two championships in a month on Saturday, Nov. 19 when he took the Eastern Canada colored belt award in Toronto. McClelland also won the Quebec mudansha championship in Montreal on Nov. 5.

For the Eastern Canada mudansha event in Toronto, 115 entries took part, being from Hamilton Germania club, Ottawa Hatashita club, Guelph Kidokwan club, Oshawa Maple Leaf club, Niagara Falls Hatashita club, Orillia, Willowdale, North Markham, Belleville, Barrie as well as the Toronto clubs—Hatashita, Harmonie, Kidokwan and West end Y. The tournament was divided into two categories: Seniors—1st, 2nd and 3rd kyus; Juniors—4th and 5th kyus. Sixth kyus (white belts) were not accepted.

Senior champion McClelland defeated his much larger opponent and club-mate, Bern Lott, in the final with a lovely footsweep (ashi-harai). His specialty is footsweep although he also has other techniques in his repertoire, all of them executed in a graceful classic judo style.

In the junior group, K. Wilkes of Toronto Harmonie, a 4th kyu, threw K. Bekemeir of Hamilton Germania with a stomach throw (tomoe-nage) in a hard-fought match. The semi-finals of this division were particularly exciting with two of the smaller men in the group up against the eventual finalists. Al Hattori of Toronto Hatashita, who must weigh less than 130 pounds, whipped through his earlier rounds in sensational fashion until he came up against Bekemeir. Hattori caught his bigger opponent with a shoulder throw (seoi-nage) but not good enough for points. Then Bekemeir pinned him down with a hold-down (osaekomi) for the win. In the other semi- another small man, B. Atkinson of Guelph Kidokwan, gave Wilkes a tough time with his aggressive tactics until caught in a hip throw (koshiwaza) worth a half fall.

One major surprise of this keenly contested tournament was the elimination of many of the senior-division favorites in early rounds. Paul Schelck was decisioned by Toronto Hatashita clubmate Tom Comello, in a third-round bout. Jim Martin was decisioned by eventual runner-up Bern Lett in another third-round bout. And Wally Kirijewski was eliminated in the first round when he drew with J. Brooks of Niagara Falls.

An impressive showing was made by Jim McFadden of Toronto Hatashita who bowled over his opponents with spectacular throws until he met McClelland in the 5th round and ran into some of his own medicine. Another strong entrant, Mike Joseph of the same club, also had an easy time of it until he met McClelland. Runner-up Bern Lett, one of the few really big men in the tournament, also gave an outstanding show as he marched his way to the finals.

Seven Nisei judokas took part in this year's tournament. Al Hattori was the standout with his fine performance in the junior division. Others were Norris Mizuno of Toronto Kidokwan (eliminated in the second round after a spectacular first-round victory), B. Shintani of Toronto West End Y (the same happened to him), and R. Horikawa of Toronto Hatashita and Vic Kobayashi of West End Y who drew in the first round to be eliminated in their first bouts in the junior division.

This tournament was co-sponsored by the Ontario Judo Black Belt Association and the Toronto Kidokwan Judo Institute, under CKBBA sanction. Referees for the finals and semi-finals were Frank Hatashita, 4-dan, Ontario Association president, and Genichi Nakahara, 3-dan, Toronto Kidokwan president. MCs were Harry Henning and Frank Moritsugu, both 2-dan.

Judoist Ozaki of London Guest at Chatham Dojo

CHATHAM. — Judo literally means "the gentle way," judo expert Tak Ozaki of London told members of the Community Centre Judo Club at their first anniversary banquet recently.

Mr. Ozaki, holder of one of the higher awards for judo proficiency in Southwestern Ontario, the second degree of the black belt, said the idea behind judo is maximum efficiency with minimum effort.

"Many people ask how to get out of a situation if they are attacked and what moves they should make. There is no set pattern. If you practice faithfully, the moves come instinctively" he said.

A film was shown to the members depicting a man who is regarded as the leading living judo participant.

The Chatham Club works out Tuesday, Thursday nights and Sunday afternoon in the Athletic Building on the CMCC grounds. The women's division meets Monday nights and junior boys, on Friday evenings. There are about 65 members.

'Paper and Paint' Theme at Women's Club Meeting

TORONTO. — The October meeting of the Nisei Women's Club of Toronto was convened by the Central group at the home of their leader, Mrs. Ruth Shimotakahara. An interesting program of "What can be done with Wallpaper and Paint" was demonstrated by the manager of the Empire Wallpaper and Paint Co., Mr. J. M. Austin, with the able assistance of Mrs. Lila Tilson.

We busy mothers of rather active children were very pleased to note the durability and washability of many of their wallpapers and especially the simplicity of applying their products on the wall.

Some fast bargaining were encountered by the members as we tried to fatten our fast dwindling club kitty by holding a very minature sale of some of the members ingenious creative hobbies such as dried grass and pastel colored weeds for floral arrangements, tulip bulbs, etc.

The tickets for our Annual Christmas Dinner and Dance to be held on Saturday, December 10th, at Homestead Restaurant are fast disappearing so any[illegible] interested should contact any of our members to be sure [illegible] reservation.

HJCCA's Dance Party Plans in Full Swing

HAMILTON. — The Hamilton JCCA Annual Xmas Dance Party is shaping up into a really big event for the Yule Season again.

It's to be held Friday, December 23, 1960 from 9.00 p.m. in the Hollyday and Garden Rooms, Hillcrest Restaurant, Wentworth and Concession, on Hamilton's pride "The Mountain".

The "Mountain" may be sneeringly referred to as a bluff, but the dance, definitely not. If you think it is, call our bluff, ante up $1.50 each, and have fun with novelty dances, door prizes, noise, music and merrymaking.

Come on out and make it a night to remember!

Miss Uchida Honored

TORONTO.—Friends of Miss Mary Uchida, missionary candidate to Niigata-ken under the Japan Evangelical Mission, honored her with a money shower at the home of Mr. and Mrs. Frank Omura, 6 Sage Ave., on Saturday, November 19th. A good group of over 20 people indicated just how much Miss Uchida has been appreciated by the Japanese in Toronto.

A big box was kept at the entrance, and friends slipped in their gifts as they walked into the house. The total sum given to Miss Uchida amounteed to $225.00. On the same night Rev. E. S. Yoshida announced that the Nisei Gospel Church in Toronto will pledge $10.00 per month towards her support while she serves in Japan. Miss Uchida struggled hard to keep back her tears as she slowly thanked everybody.

After a round of stimulating games—Mr. Tokio Nishimura of 336 Gladstone got the prize for remembering the most objects—refreshments were served. The highly successful shower steered by Miss Mary Shintani, came to a very appropriate conclusion with the singing of "Blest Be The Tie That Binds," and the benediction from the minister.

Mitzi Shin Promoted at Pioneer Girls Rally

November 13-20th was set aside by the Nisei Gospel Church of Toronto for Pioneer Girls Week. On Sunday, 20th, the Pioneer Girls, guided by Misses Mary Shintani and Ethel Yokota, took over the Nisei Worship Service to present their program.

The congregation was challenged to give more of its time and talent towards the cause of Christian education in such clubs as the Pioneer Girls. During the service gifts were presented to Messrs. Yosh Ikenouye, Stan Yokota and E. S. Yoshida for their help in transportation. Although several girls received badges, Mitzi Shin of 1448 Victoria Park Ave. was the only girl to be promoted to a new rank.

Barbara Nakamura concluded the program with her playing "Blessed Assurance" on the piano.

"Suicide Mountain" Shown at N.C.F.

The Nisei Christian Fellowship of the Canadian Japanese Mission, directed by Miss Ethel Yokota, sponsored a 45-minute colored, motion picture entitled, "Suicide Mountain," on November 12th. The film was based on a real-life story which happened in Japan. The evangelistic appeal of the movie was excellent, not to mention the accurate and detailed description of the Japanese farm life.

Those who saw it will enthusiastically recommend it to both Isseis and Niseis. Out-of-town guests were Mr. and Mrs. Roy Masuda and Mr. Fred Kamibayashi, all from Hamilton. A good time of Christian fellowship was enjoyed over the refreshments following the film.

The Realistic Approach

(Continued from Page One)

in his society. I do not hear them say that the individual Nisei can be the greatest force—the greatest witness in his society. Anyone, provided he is an extrovert and not afraid to walk into any strata of society will do a great deal of good than an organization—JCCA or otherwise.

We must remember that a Nisei is a trusted person in his society today. He is an accepted individual. He has the power to mould public opinion. On a percentage basis, more Niseis are found in positions of responsibilities than any other ethnic group. Surely, the individual has a lot to say than an organization which is practically defunct. Let us never undermine the important role of the individual human being—Nisei or otherwise.

Before the "powers to be" become involved in the mechanisms of the JCCA organization, I would suggest that they sit down and look at the total structure of the JCCA—its nature, purpose, task, etc. I would also suggest that they listen to what the individual Niseis are saying and, if necessary, be prepared to accept a change rather than to stick to their own ideas.

Tokyo Woman Overjoyed With Kennedy's Post

TOKYO.—A young Tokyo woman cheered the news that John Kennedy has been elected to be the next President of the United States.

For Miss Haruko Hosono, the American senator's victory at the polls had special meaning. Kennedy had sponsored her visit to the United States in 1955 so she could attend a New Jersey women's college for a three year scholarship.

She is the daughter of Gunji Hosono, director of the Japan Foreign Policy Society. In 1949, Hosono, then a director of the United Nations Society of Japan, had greeted the future American president at Tokyo airport when Kennedy visited Japan.

Miss Hosono, who returned to Tokyo last year, said she still corresponds with the man who next year will occupy the White House. She said he never writes about politics, but has indicated he would like to revisit Japan.

Kennedy, she said, was the man for the job because of his "good understanding" of Far East problems.

Japanese Scrappers Get Delivery of Cruisers

OTTAWA. — The Canadian navy's last two cruisers are headed for the scrap heap in Japan under a death sentence passed more than two years ago.

Officials said the cruisers Ontario and Quebec have been sold for scrap to a Japanese company, with each vessel bringing in more than $300,000.

Their original cost was about $25 million each. The Ontario was taken out of service Oct. 15, 1958, and the Quebec, June 13, 1956.

The defence department indicated in August of 1958 the two were being squeezed out of Canada's defence picture by a new era.

Maj-Gen. G. R. Pearkes, then defence minister, told the Commons the two war ships, which had been used for training purposes, were being declared "surplus to requirement."

The Quebec already had been decommissioned and placed in reserve at Sydney, N.S. The Ontario was headed for decommissioning; her training functions in the process of being transferred to an operational frigate squadron.

The Ontario was commissioned as a Canadian warship at Belfast in April, 1945, and was on her way to join the British Pacific fleet when World War II ended.

Bachelors Beware—An Authority States That You Shun Beautiful Women If You Want Sleep At Nights

TOKYO.—A note to bachelors seeking brides:

Don't marry a beautiful woman. Many beautiful women snore, particularly if they have a cute chin.

That's the word from Dr. Takenosuke Ikematsu who has been studying "ibiki" (Japanese for snoring) for many years.

Dr. Ikematsu claims that 41 per cent of all women snore, although few will admit it.

In fact, 70 per cent of his patients are women, mostly those looking forward to marriage and afraid that their nocturnal rumblings will discourage their spouses.

That is the way the doctor got into the ibiki practice.

Years ago, a mother and daughter came to him in tears begging for help. The daughter had just been married. But she snored.

The husband took his punishment for three days and then moved out of the house.

Ikematsu performed a minor operation which corrected the bride's snoring. The husband returned to the fold, and the couple lived happily ever after.

That started Dr. Takenosuke thinking. How many similarly afflicted people he could help?

There was not much reference material on snoring, so the doctor began collecting his own, wandering around the city with a tape recorder and capturing the various snores of the night in waiting rooms and trains.

He even made an around-the-world trip to obtain a more international view on snoring.

His findings: People over the world snore the same way.

Males snore in "Low key." Women snores are of two types—"beast" and "Niagara Falls."

How do you stop snoring?

It's simple, according to Ikematsu.

See a doctor.

Cover your face with a handkerchief when you sleep.

But better yet—Keep yourself "keyed up," preferably by sewing a toothbrush on to your pajamas.

Japanese Canned Apples Under Aylmer Lables Put End to Okanagan Processing Production

KELOWNA, B.C.—If you can't beat 'em, you join 'em.

That's the attitude of Canadian Canners Limited to competition from Japanese in the marketing of canned apples.

William S. Deacon, the company's B.C. superintendent, told The Courier in an interview from Penticton that Japanese apples have been coming into the province for more than five years, and that Canadian Canners "wanted to stop them, but couldn't."

"They would have put us out of business," he said, "if processing had been continued in the Okanagan."

In 1957 Canadian Canners stopped production of canned apples in this area, and since then has supplied the B.C. market with canned apples processed in its plants in Ontario.

This year, however, the processed goods could not be obtained from Ontario, and if they had been obtainable in the Okanagan processing costs would be $1 a case greater than the alternative—the Japanese product.

The volume being canned for the company is "small"—1,000 cases—Mr. Deacon claimed, and quantities ordered are for only the immediate needs of customers.

Distributors have been informed that although the apples are packed under the Aylmer brand name, they are imported from Japan.

Aylmer, naturally, wants to keep its name before its buyers, Mr. Deacon said.

"If you let your label get off the shelves, you're ruined."

"The whole history of our firm shows that we have been among the strongest supporters of B.C. produce, and we will continue this support."

THANK YOU

The Toronto Buddhist Church wishes to express its deepest appreciation to those who made the annual bazaar a tremendous success. The Church would like to take this opportunity to thank the many willing workers who gave freely their time and efforts.
